SUBJECT: DELIVERED NPT NON-PAPER; GOES SUPPORTS WORKSHOP

REF: STATE 103725

Poloff delivered Nuclear Nonproliferation Treaty (NPT) non-paper on technical workshop for Egypt and Israel to Gustavo Argueta, MFA Multilateral Affairs Officer, on October 13. Argueta said the GOES is in favor of the workshop and asked if the USG planned to bring the workshop proposal to the resolution discussion. In a follow-up response October 8, Argueta suggested that the USG share the workshop proposal with as many allied countries as possible, and recommended promoting the idea by holding an informal discussion session in New York. Should the USG choose to hold a discussion of this type, Argueta asked that the Salvadoran mission be invited.
